

Your Voice on Health

HEALTH CONSUMERS' COUNCIL

ADVOCACY TRAINING PROGRAM

Are you a District Health Advisory Council member who would like to be...

Familiar with the **rights and responsibilities** of health consumers in Australia?

Seeking to **improve** the health system in your district?

If so... This might be for you!

The Health Consumers' Council provides this training to all DHAC members at **no cost**. With this training, DHAC members are in a better position to advocate for changes in the health system, ensuring the needs of consumers are met. Some parts of the training will cover topics such as the **rights of health consumers**, as well as different types of **advocacy**, like **systemic advocacy**.

Contact Cheryl Rugdee on 9221 3422 or email cheryl.rugdee@hconc.org.au if you would like to:

- ★ Arrange for this training to be provided **at your health district area**; or
- ★ If your community is interested in a **brief overview** of this training: this can be delivered **face to face** or via a **video conference**.

Areas which will be covered during the training includes...

Consumer Advocacy in the Health Sector

Community Support Advocacy

Systemic Advocacy
