Note: This list is compiled using information provided through HCC Consumer Participation Programme. The purpose of providing this list is for consumers to identify committees/boards and consumer representatives who sit on them. Consumer Representatives are advised to communicate with their constituencies and feedback relevant information to the committee in the efforts of providing a broad consumer perspective and advocating for a patient orientated health system in Western Australia.

Please advise if there is information in this list that is to be included or amended by contacting the Consumer Participation Project Coordinator on 9221 3422 or email info@hconc.org.au

Your assistance in this matter is greatly appreciated.
