

Do you want to get more involved?

The Health Issues Group
meets to talk the first
Thursday of each month
from 1pm at our office
(see back of pamphlet
for our address)

All are welcome!

We offer training and
ongoing support if you
want to join a committee
– so you can have a
say about how health
services are delivered.

Torres Strait Islander Health and WA Health.

**Have you had
a problem with your
doctor or hospital?**

**Do you know
what to do about it?**

**Call us: 1800 620 780
Free Call**

The Health Consumers' Council is a non-government community organisation. We stand up for patient's rights in hospitals, health services and research.

Your voice matters.

Your rights, your choices

We can support you to make your own decisions by:

- listening to you
- informing you of your rights and choices
- helping you make a complaint and get an outcome.

**Call us:
1800 620 780**

The Health Consumers' Council has recently employed two Aboriginal workers.

We are here to support you having more say on your family and community's health.

We will be travelling to communities all over the state or you are welcome for a cuppa anytime!
