YOUR VOICE ON HEALTH

CULTURALLY & LINGUISTICALLY DIVERSE YOUTH & MENTAL HEALTH SERVICES

Welcome to the 1st seminar in the second series of
“Let’s Talk Culture”!

**‘What are the needs of Culturally and Linguistically Diverse
young people in WA and which services fulfil those needs?’**

Within a slightly different format, the second ‘Let’s Talk Culture’ seminar series aims to assist mental health professionals work in a culturally responsive way with clients from culturally and linguistically diverse backgrounds. These seminars are jointly organised by the Mental Health Commission, the Cultural Diversity Unit of the Chronic Disease Prevention Directorate at the Department of Health and the Health Consumers’ Council, with support from Cross Cultural Intellect, Richmond Wellbeing and Associate Prof Alex Main (Murdoch).

Chaired by Michael Lenney (Lenney), Senior Policy Officer, Planning, Policy and Strategy at the Mental Health Commission, this seminar will host two presenters; Ms Beth Franca and Mr Majok Wutchok.

After the presentations, Alex Main will facilitate a Q&A session from which recommendations, in line with the topic, will be taken. All who attend will receive a copy of these, they will also be available via HCC’s website.

This event is proudly sponsored by the Mental Health Commission.

SUPPORTER

ABOUT THE GUEST SPEAKERS

BETH FRANÇA

Beth is the Cross Cultural Clinician for Child and Adolescent Mental Health Services (CAMHS), based at Warwick CAMHS but supports metro-wide CAMHS services. Her role promotes engagement and support for CALD families accessing mainstream mental health services for mental health issues of a moderate to severe nature. She is a graduate of Psychology and Social Work of UWA and uses both disciplines in her clinical work and expertise in helping families and children to manage difficulties relating to mental health in their lives. She has worked with CALD and Humanitarian entrant families for 12 years and worked as a mental health clinician with the speciality of CALD and refugee communities for 10 years.

MAJOK WUTCHOK

Majok is the founder of the South Sudan Public Health Forum Inc. He is deeply committed to his community and to advocating towards improved health care access on their behalf. He is a consumer representative on the WA TB Leprosy Advisory Board. Majok's qualifications include a Bachelor of Science(Nutrition), Masters of Public Health and he is currently pursuing a Postgraduate Diploma of Tropical Medicine & Hygiene.
