

PATIENT EXPERIENCE WEEK (PXW)

SHARE YOUR PX IDEAS - POSTER

To continue the patient experience conversation Health Consumers' Council (WA) invite Hospitals, Health Services & NGO's to share with other health services, health professionals and consumers how they provide positive patient experiences.

The contents of this form will be used to create a poster (A2) these will feature on the HCC website, social media channels and will be made available as a PDF for you to share!

They will also be displayed during Patient Experience Week 2018. Submissions accepted until April 2, 2018.

Name of initiative

1. Share an initiative/project/program that ensures what matters to your patients/consumers is leading to improved patient experience... (1 paragraph describe)

2. What difference has this made? (List in dot points)

3. Share one lesson you have learnt that can help others... (1 paragraph)
