

## September Update

This update highlights key activities and achievements for the month of August.

### August highlights:

- Current membership stands at 182 with the acceptance of 13 new members.
- Governing documents including the Memorandum of Understanding (MOU) between Health Consumers' Council (HCC) and the AODCCC, the Bookkeeper and Project Lead contracts are now in place.
- Board members undertook a half-day governance training session with WACOSS.
- Board members reviewed consumer feedback from our 2018 'think-tank' and previous surveys in preparation for our first Mission, Vision and Values planning session.
- Members are responding to participation opportunities as can be seen by turn out to recent events such as the 'Alternatives to ED' consumer consultation held by CoMHWA.
