

#### HCC Excellence Award Nomination - Compassionate Care Award

### Compassionate Care Award

This award is to acknowledge compassionate people working or volunteering in a health service providing support and/or direct patient care. We are looking for compassionate individuals working in any capacity - from cleaner to specialist and everything in between - in the health service or organisation. We are also looking for compassionate teams of health care providers who demonstrate effective multi-disciplinary care. Evidence of compassionate care in the form of feedback letters from consumers and carers will strengthen the nomination.

* 1. Are you a health consumer/carer or an organisation/colleagu
