

Mental Health Act 2014 Notifiable Events

A staff member must notify at least one of the person's personal support persons each time any of the following events occur:

Referred Persons

- A *Form 3A – Detention order* is made for a referred person.
- A referred person being detained on a *Form 3A – Detention order* is allowed to leave because the order has expired or their referral was revoked.
- A referred person is absent without leave while being detained on a *Form 3A – Detention order*.
- A *Form 4A – Transport order* is made to take a referred person to the place of examination.
- A psychiatrist makes any of the following orders after examining the referred person:
 - inpatient treatment order in an authorised hospital (Form 6A);
 - inpatient treatment order in a general hospital (Form 6B);
 - community treatment order (Form 5A);
 - continuation of detention to enable a further examination by a psychiatrist (Form 3C);
 - order authorising reception and detention in an authorised hospital for further examination (Form 3D);
 - order that a person cannot continue to be detained (Form 3E).

Involuntary Inpatients

- An involuntary inpatient is transferred from a general hospital to an authorised hospital, or between authorised hospitals (Form 4C).
- An involuntary inpatient is released from detention because:
 - the inpatient treatment order was revoked;
 - a community treatment order was made; or
 - the inpatient treatment order needed to be confirmed (Form 6D) and was not confirmed.
- The inpatient treatment order expires.
- An involuntary inpatient is absent without leave from the hospital.
- An involuntary inpatient is granted leave of absence from the hospital (Form 7A).
- An involuntary inpatient's leave is extended or varied (Form 7B).
- An involuntary inpatient's leave is cancelled (Form 7C).
- An involuntary inpatient (or a mentally impaired accused detained in an authorised hospital) is provided with urgent non-psychiatric treatment (Form 9B).
- An order is made authorising the transfer of an involuntary inpatient from a WA hospital to an interstate mental health service (Form 4D).
- The transfer of an involuntary inpatient from an interstate mental health service to a WA Hospital is approved (Form 4E).

Involuntary Community Patients

- The community treatment order is revoked.
- An inpatient treatment order is made in respect of an involuntary community patient.
- A transport order (Form 4A) is made for an involuntary community patient who failed to comply with a *Form 5F – Order to attend*.
- An involuntary community patient is released after being detained (for up to 6 hours) to be provided with treatment following a *Form 5F - Order to attend*.
- An involuntary community patient is absent without leave from a place where they are being detained (for up to 6 hours) to be provided with treatment following a *Form 5F - Order to attend*.
