

## 2021-23 Strategy

HEALTH CONSUMERS' COUNCIL Kindness connection community - see the whole person

## Strategy 2021-23

Our Vision	Equitable, person-centred, quality health care for all West Australians		
Our Purpose	To increase the capacity of all people to influence the future direction of health care and to make informed choi		
Pillars 1-3	Support individuals and community through advocacy and health literacy	People are able to access support to ensure diverse lived experience voices drive positive change	Identify and co awareness to k
Our Approach	We operate on a pure advocacy model, and are committed to supporting health consumer rights	We facilitate respectful partnerships and inclusive, meaningful engagement at all stages and all levels. We take calculated risks and incorporate lessons as we go.	We reflect the solution with the solution of lived end of the solution of lived end of the solution of the sol
Our strategic priorities 1-3 years	<ul> <li>Expand the reach of independent and self- advocacy services to support equity of access to complaints procedures and redress</li> <li>Develop and maintain robust data to identify and inform issues for health consumers and create systemic impact</li> </ul>	<ul> <li>Continue to widen our circle by proactively reaching out to groups that experience health inequities</li> <li>Building capacity and amplifying good practice in engagement in health and social care</li> <li>Building productive relationships to inspire and achieve lasting, positive change</li> </ul>	<ul> <li>Respond to voices on he policy, progr</li> <li>Set the agen everyday pe</li> <li>Maintain for voices inform</li> </ul>
Operational priorities 12 months	<ul> <li>Continue to fine-tune the intake of calls and partnerships to address consumer enquiries</li> <li>Prepare for the Mental Health Commission tender as well as the WA Health contract renewal to ensure expanded capacity wherever possible</li> <li>Help shape the Advocacy Training project and participate in the training</li> <li>Scope a LotteryWest grant or similar to develop online self-advocacy tools and workshops to empower people to make informed choices and seek redress</li> </ul>	<ul> <li>Build networks to champion implementation of the Sustainable Health Review</li> <li>Work together with key partners to develop a Lived Experience Leadership pipeline program</li> <li>Continue to expand our networks and build relationships with Aboriginal people and consumers from culturally and linguistically diverse backgrounds to enable these perspectives to be amplified across WA Health.</li> <li>Explore new ways to build capacity of more consumers to influence healthcare, including trialling the delivery of online training.</li> <li>Continue to extend our reach through social media.</li> </ul>	<ul> <li>Develop mo with disease self-help sup</li> <li>Work with the partners to a focus on the positive changers</li> <li>Scope option issues.</li> </ul>
